

# **CITADEL PLASTICS ANNOUNCES VICE PRESIDENT, HUMAN RESOURCES**

## **For Immediate Release**

**11/3/2009**

West Chicago, IL -- 11/3/09 -- Amy L. Rodgers has been promoted to the position of Vice President, Human Resources for Citadel Plastics Holdings, Inc. In this new role, Ms. Rodgers will be responsible for developing HR processes for both BMC, Inc. and Matrixx. She will focus on staffing, communication, organization development, cross-business productivity, acquisition integration, and compensation and benefits for the Citadel business. Ms. Rodgers brings a diverse background from her tenure at the former Rodgers Engineering, a \$40MM thermoset compounder/molder. She has experience in strategic planning, EHS, legal, finance, as well as human resources. She brings a unique total business perspective to the HR role. She will continue to be based in West Chicago, Illinois and will interface across all Citadel locations.

## **About Citadel Plastics Holdings, Incorporated**

Chicago based private equity investment firm, Wind Point Partners is the majority owner of Citadel Plastics Holdings, Inc. Citadel, a portfolio company, owns The Matrixx Group, a leading thermoplastic compounder, and BMCI, the world's largest supplier of bulk molding materials. Citadel is responsible for the design and execution of a value creation strategy in the plastics compounding market.

## **About BMCI**

The world's leading producer of thermoset bulk molding compounds, BMCI serves the automotive, electrical, consumer appliance, power tool and conductive plastic industries. A proven metal replacement, BMCI's products are especially well suited for structural applications where heat and mechanical load are relevant. BMCI has two manufacturing sites in the U.S., as well as facilities in Mexico, Germany, China and Brazil.
